Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<div>Individual Family</div> In-network: <b>\$100 \$300</b>	Generally, you must pay all of the costs from <b>providers</b> up to the <b>deductible</b> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <b>deductible</b> until the total amount of <b>deductible</b> expenses paid by all family members meets the overall family <b>deductible</b> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive Services and Pharmacy	This plan covers some items and services even if you haven't yet met the annual <b>deductible</b> amount. But a <b>copayment</b> or <b>coinsurance</b> may apply. For example, this <a href="#">plan</a> covers certain <b>preventive services</b> without <b>cost-sharing</b> and before you meet your <b>deductible</b> . See a list of covered <b>preventive</b> services at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <b>deductibles</b> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<b>\$4,000</b> for employee only / <b>\$8,000</b> for employee plus spouse, employee plus child(ren), employee plus family	The <b>out-of-pocket limit</b> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <b>out-of-pocket limits</b> until the overall family <b>out-of-pocket limit</b> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<b>Premiums</b> and health care services this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes- The Memorial Health Network (MHN). For a list of <b>preferred providers</b> , see the Lawson website, email <a href="mailto:CCP.CustomerSvc@ccpcares.org">CCP.CustomerSvc@ccpcares.org</a> , or call <b>954-622-3499</b>	This <a href="#">plan</a> uses a <b>provider network</b> . You will pay less if you use a <b>provider</b> in the <a href="#">plan's network</a> . You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <a href="#">plan</a> pays ( <b>balance billing</b> ). Be aware, your <a href="#">network provider</a> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <b>specialist</b> you choose without a <b>referral</b> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
