

Provider Notice

To: MMA & FHK Providers
Subject: Health Network One Is Now Emboss Specialty
Notice Date: October 06, 2026

Health Network One (HN1) has announced a new name: Emboss Specialty. HN1 and its affiliated companies are now operating under this unified brand. Emboss Specialty administers physical therapy (PT), occupational therapy (OT), and speech therapy (ST) for MMA and FHK members, plus dermatology and podiatry for MMA members

What does this mean for you?

This is a brand update only. Nothing about how you work with CCP or with Emboss Specialty is changing:

- Your participation remains unchanged.
- Existing contracts and agreements remain in effect.
- Your current contacts remain the same.
- Existing workflows, authorizations, billing processes, and requirements continue as they do today.

What will you see?

You'll start to see the Emboss Specialty name and logo on communications, educational materials, digital platforms, and provider resources. During the transition, you may also see references such as "Emboss Specialty, formerly Health Network One."

Questions?

If you have any questions, please contact your assigned Provider Operations Representative or call our Provider Operations Hotline at **1-855-819-9506**. Thank you for your continued partnership and for the care you provide to our members.
