

Provider Notice

To: FHK PCPs
Subject: Prescribed Pediatric Extended Care (PPEC)
Notice Date: September 1 , 2026

Dear Provider,

This notice provides an update on services that became effective on July 1, 2026. Please share this information with your team.

Effective July 1, 2026, In Lieu of Service FHK members can now elect Prescribed Pediatric Extended Care (PPEC) services as a complete or partial replacement for Private Duty Nursing (PDN). This gives members flexibility to choose the care option that best meets their needs. Prescribed Pediatric Extended Care (PPEC) is for Medicaid eligible children from birth through age 20 with medically-complex conditions to receive continual medical care in a non-residential setting.

Authorization

- PPEC must be authorized by CCP prior to service delivery
- Submit authorization requests through [PlanLink](#)

Finding Participating Providers

To identify participating PPEC providers for member referrals, visit the [Provider Directory](#).

Learn more:

Visit ccpcares.org/for-providers/provider-tools/provider-manual-qrgs/ for complete PPEC coverage details in the updated [FHK Provider Manual](#).

Important Reminder: FHK members require prior authorization for ALL inpatient hospitalizations. Contact CCP Utilization Management before admission to avoid claim denials. For emergency admissions, notify CCP within 24 hours.
