

Provider Notice

To: MMA Providers
Subject: Mandatory PASRR Documentation for Skilled Nursing Facility (SNF) Claims
Notice Date: February, 2026

Dear Provider,

This communication is to notify all Skilled Nursing Facilities (SNFs) Preadmission Screening and Resident Review (PASRR) documentation is required for claims associated with SNF admissions to be eligible for payment under the Medicaid Managed Care Program.

Under Florida Medicaid policy, all individuals being considered for admission to a nursing facility must undergo PASRR evaluation to determine the presence of serious mental illness (SMI), intellectual disability (ID), or related conditions that may affect the appropriateness of nursing facility placement. This process is required prior to admission and must be documented appropriately.

Impacts to Claims:

Effective immediately, claims for SNF services will not be processed for payment unless the required PASRR documentation, consistent with state policy, is provided and included with the claim or is otherwise verifiable in the patient's record.

Required Provider Actions:

- Ensure each SNF admission has a valid PASRR determination documented prior to or at the time of admission.
- Include PASRR documentation with prior authorization request.
- Maintain PASRR documentation in the patient's record in accordance with Medicaid and AHCA requirements.
- Where documentation is incomplete or absent, follow established processes to obtain or complete PASRR screening before billing.

PASRR policy and guidance are outlined in the [Preadmission Screening and Resident Review Process \(PASRR\)](#)
